MIDDLE RIVER REGIONAL JAIL,	)	**United States District Judge**
Defendant(s).	)	

James Leanard Jackson, proceeding pro se, filed a civil rights complaint, pursuant to 42 U.S.C. § 1983. By Order entered June 4, 2014, the court directed plaintiff to submit within 10 days from the date of the Order an inmate account form, and a certified copy of plaintiff's trust fund account statement for the six-month period immediately preceding the filing of the complaint, obtained from the appropriate prison official of each prison at which plaintiff is or was confined during that six-month period. On June 18, 2014, the plaintiff returned an incomplete form. The Court entered a second conditionally filed order on June 18, 2014 regarding the incomplete information and directed plaintiff to submit within ten days the completed inmate account report. Plaintiff was advised that a failure to comply would result in dismissal of this action without prejudice.

More than 10 days have elapsed, and plaintiff has failed to comply with the described conditions. Accordingly, the court dismisses the action without prejudice and strikes the case from the active docket of the court. Plaintiff may refile the claims in a separate action once plaintiff is prepared to comply with the noted conditions.

Jackson v. Middle River Regional Jail Doc. 8

The Clerk is directed to send a copy of this Memorandum Opinion and accompanying Order to plaintiff.

ENTER: This 8th day of July, 2014.
