24 hr Lockdown is inhumane / Making me crazy / Cruel and unusual Punishment

Comes Now the Plaintiff, Jonathan Lee Riches © d/b/a Political prisoner, pro-se, in Solitary confinement at FCI Williamsburg. Seeking 25 million dollars from Defendants for 8th amendment violations of cruel and unusual Punishment. I'm placed in 24 hr Lockdown since Oct 20, 2007 for filing a lawsuit on FCI Williamsburg teacher Philip Woolston. The prison thinks I'm the next John Hinckley. The Prison is afraid I use my lawsuits as a weapon of mass destruction, so they took my legal work away, a constitutional violation, and put me in solitary confinement with no access to media, newspapers, courts, friends, family. I'm fed very little food. I'm freezing. My shower is freezing. I'm subjected to used boxers, no cosmetics, no books, I snuck in a pen to write lawsuits. I'm all out of stamps, I get 1 blanket no pillows, lights stay on, screaming inmates. I'm a white collar, non violent offender, surrounded by violent criminals. I'm being mentally tortured by Defendants. Hinckley is spreading plague to my mind. Hinckley plans to assassinate me on my birthday Dec. 27th. Hinckley told FCI Williamsburg to leave me in here to rot, so I can be mummy wrapped in zip Loc and sent to the National Archives. If I die in solitary, I move this court to know I will die as a Martyr, I'm a freedom fighter, Political Prisoner, FCI Williamsburg is trying to silence me because I know Atrocities that they and staff committ, I'm going on CNN, I'm going to write future books, I'm whistle blowing, I need help. This is torture. I seek 25 million dollars
