OPINION and ORDER

This litigation is now before the court on the recommendation of the United States Magistrate Judge entered on March 25, 2009 (doc. # 19), that this case be dismissed without prejudice. After a review of the recommendation, to which no timely objections have been filed, and after an independent review of the entire record, the court believes that the recommendation should be adopted. Accordingly, it is

ORDERED and ADJUDGED that the Recommendation of the Magistrate Judge be and is hereby ADOPTED and that this case be and is hereby DISMISSED without prejudice for the failure of the plaintiff to file an amended complaint in accordance as directed by order of the court. An appropriate judgment will be entered.

Done this the 16th day of April, 2009.
