OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state inmate, filed this lawsuit complaining about his sentence and the conditions of his incarceration. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice. Also before the court are plaintiff's objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation adopted.
