UNOPPOSED MOTION TO STAY PROCEEDINGS
AGAINST DEFENDANT APPLE INC.

Defendant, Apple Inc. ("Apple"), through counsel, moves this Court to stay all proceedings in this action against Apple pending a transfer decision by the Judicial Panel on Multidistrict Litigation ("JPML"). A stay is necessary in this case in light of imminent filing deadlines, including responsive pleadings, due August 19, 2010. This Court has clear authority to grant stays pending decisions by the JPML, and federal courts routinely exercise that authority in the interest of judicial economy and avoiding prejudice to the parties. As discussed more fully below, these factors weigh heavily in favor of a stay here.

Request GRANTED This 18th Day of August, 2010
