UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

ANDRE SMITH-LOVEJOY, Plaintiff, vs. PHYSICIANS MUTUAL INSURANCE; SMITH'S FOOD & DRUG STORES; NIKE SHOE COMPANY, Defendants.	3:12-cv-00011-ECR-VPC **Order**

On February 16, 2012, we dismissed Plaintiff's Complaint (#1-1) as legally frivolous, finding that it lacked an arguable basis in either law or fact. In his new Motion (#14), Plaintiff seeks appointment of counsel and the re-opening of the case. Plaintiff's motion must be denied because he has presented no new reason to re-open the case. Plaintiff's Motion (#14) sets forth the same frivolous allegations as the Complaint (#1-1) and must therefore be dismissed.

IT IS, THEREFORE, HEREBY ORDERED that Plaintiff's Motion (#14) will be **DENIED**.

The Clerk shall not accept any further filings in this matter.

DATED: September 19, 2012.

Edward C. Reed.
UNITED STATES DISTRICT JUDGE
