Red and Rover by Brian Basset

"Red and Rover" is about the deep, abiding love between a boy and his dog. Just like Charlie and Snoopy, 10-year-old Red and his faithful canine companion, Rover, forged their fellowship in a gentler time, when friends were forever and loyalty was unquestioned. Red and Rover have an endearing partnership that brings them — and the strip's lucky readers — a measure of pure delight.

In the Sticks by Nathan Cooper

"In the Sticks" is silly, absurd, smart and LOL funny. It's an affable strip about an ex-golf professional, Del, who's inherited a nearly bankrupt golf club, Blooming Dogleg Country Club, populated by three very odd animals who (usually) try and help him make it work.
