IzPack - Installation of 7art Color Therapy Clock screensaver
PREMIER*OPINION
In order to provide this free download of 7art_Color_Therapy_Clock_screensaver, PremierOpinion software, provided by VoiceFive, Inc., is included in this download. This software allows millions of participants in an online market research community to voice their opinions by allowing their online browsing and purchasing behavior to be monitored, collected, and once anonymized, used to create market reports, materials and other forms of analysis that may be shared with our clients to help our clients understand Internet trends and patterns and other market research purposes. The information which is monitored and collected includes internet usage information, basic demographic information, certain hardware, software, computer configuration and application usage information about the computer on which you install PremierOpinion.
We may use the information that we monitor, such as name and address, to better understand your household demographics; for example, we may combine the information that you provide us with additional information from consumer data brokers and other data sources in accordance with our privacy policy. We make commercially viable efforts to automatically filter confidential personally identifiable information and to purge our databases of such information about our panelists when inadvertently collected.
By clicking I Agree, you acknowledge that you are 18 years of age or older, an authorized user of this computer, and that you have read, agreed to, and have obtained the consent to the terms and conditions of the Privacy Statement and User License Agreement from anyone who will be using the computer on which you install this application.
