This matter is before the court *sua sponte.* On August 25, 2011, the court informed the parties by letter of their obligation to meet and confer pursuant to Fed. R. Civ. P. 26(f) and to file a written report of their meeting. **See** Filing No. 6. The parties' deadline for filing the report was September 26, 2011. The plaintiff filed a report on September 26, 2011, on her own behalf and had not conferred with the defendant's counsel who had filed a motion to withdraw. **See** Filing No. 9. Ultimately, the defendant's counsel withdrew the motion to withdraw. At that time, the court set a deadline of November 18, 2011, for the parties to file a joint planning report pursuant to Fed. R. Civ. P. 26(f). **See** Filing No. 20 - Text Order. However, no joint planning report has been filed to date. Accordingly,

IT IS ORDERED:

The parties shall file a joint report with the court in accordance with Fed. R. Civ. P. 26(f) **on or before the close of business on December 20, 2011, or** show cause why sanctions should not be imposed upon them in accordance with Fed. R. Civ. P. 16(f).

DATED this 5th day of December, 2011.
