MINUTE ORDER IN CHAMBERS:

Before the court is defendant Jain Irrigation, Inc.'s ("Jain") motion to seal Docket No. 100-7 (#114), which is Exhibit 6 to Docket No. 100-1. Jain contends that Docket No. 100-7, which contains exhibits 80, 81, and 82, was marked as "confidential" during the deposition of Jain employee Brian Woodward, in conformance with the parties' December 28, 2011, Stipulated Protective Order. However, the actual exhibits to the deposition were mistakenly not marked as "confidential."

Peri & Sons Farms, Inc. v. Jain Irrigation, Inc. et al Doc. 119

Subsequently, plaintiff Peri & Sons Farms, Inc. included exhibits 80, 81, and 82 as evidence in support of its opposition to Jain's motion for partial summary judgment (#100-7). Jain contends that exhibits 80, 81, and 82 contain sensitive proprietary information and asks the court to seal Docket No. 100-7. Plaintiff did not oppose the motion.
