COUNT I

INFRINGEMENT OF COPYRIGHTS

11. Plaintiffs incorporate herein by this reference each and every allegation contained in each paragraph above.

12. Plaintiffs are, and at all relevant times have been, the copyright owners or licensees of exclusive rights under United States copyright with respect to certain copyrighted sound recordings (the "Copyrighted Recordings"). The Copyrighted Recordings include but are not limited to each of the copyrighted sound recordings identified in Exhibit A attached hereto, each of which is the subject of a valid Certificate of Copyright Registration issued by the Register of Copyrights. In addition to the sound recordings listed on Exhibit A, Copyrighted Recordings also include certain of the sound recordings listed on Exhibit B which are owned by or exclusively licensed to one or more of the Plaintiffs or Plaintiffs' affiliate record labels, and which are subject to valid Certificates of Copyright Registration issued by the Register of Copyrights.

13. Among the exclusive rights granted to each Plaintiff under the Copyright Act are the exclusive rights to reproduce the Copyrighted Recordings and to distribute the Copyrighted Recordings to the public.

14. Plaintiffs are informed and believe that Defendant, without the permission or consent of Plaintiffs, has used, and continues to use, an online media distribution system to download the Copyrighted Recordings, to distribute the Copyrighted Recordings to the public, and/or to make the Copyrighted Recordings available for distribution to others. In doing so, Defendant has violated Plaintiffs' exclusive rights of reproduction and distribution. Defendant's actions constitute infringement of Plaintiffs' copyrights and exclusive rights under copyright.

15. Plaintiffs have placed proper notices of copyright pursuant to 17 U.S.C. § 401 on each respective album cover of each of the sound recordings identified in Exhibit A. These notices of copyright appeared on published copies of each of the sound recordings identified in Exhibit A. These published copies were widely available, and each of the published copies of the sound recordings identified in Exhibit A was accessible by Defendant.

16. Plaintiffs are informed and believe that the foregoing acts of infringement have been willful and intentional, in disregard of and with indifference to the rights of Plaintiffs.

17. As a result of Defendant's infringement of Plaintiffs' copyrights and exclusive rights under copyright, Plaintiffs are entitled to statutory damages

pursuant to 17 U.S.C. § 504(c) for Defendant's infringement of each of the Copyrighted Recordings. Plaintiffs further are entitled to their attorneys' fees and costs pursuant to 17 U.S.C. § 505.

18. The conduct of Defendant is causing and, unless enjoined and restrained by this Court, will continue to cause Plaintiffs great and irreparable injury that cannot fully be compensated or measured in money. Plaintiffs have no adequate remedy at law. Pursuant to 17 U.S.C. §§ 502 and 503, Plaintiffs are entitled to injunctive relief prohibiting Defendant from further infringing Plaintiffs' copyrights, and ordering Defendant to destroy all copies of sound recordings made in violation of Plaintiffs' exclusive rights.

WHEREFORE, Plaintiffs pray for judgment against each Defendant as follows:

1. For an injunction providing:

> "Defendant shall be and hereby is enjoined from directly or indirectly infringing Plaintiffs' rights under federal or state law in the Copyrighted Recordings and any sound recording, whether now in existence or later created, that is owned or controlled by Plaintiffs (or any parent, subsidiary, or affiliate record label of Plaintiffs) ("Plaintiffs' Recordings"), including without limitation by using the Internet or any online media distribution

system to reproduce (*i.e.,* download) any of Plaintiffs' Recordings, to distribute (*i.e.,* upload) any of Plaintiffs' Recordings, or to make any of Plaintiffs' Recordings available for distribution to the public, except pursuant to a lawful license or with the express authority of Plaintiffs. Defendant also shall destroy all copies of Plaintiffs' Recordings that Defendant has downloaded onto any computer hard drive or server without Plaintiffs' authorization and shall destroy all copies of those downloaded recordings transferred onto any physical medium or device in Defendant's possession, custody, or control."

2. For statutory damages for each infringement of each Copyrighted Recording pursuant to 17 U.S.C. § 504.

3. For Plaintiffs' costs in this action.

4. For Plaintiffs' reasonable attorneys' fees incurred herein.

5. For such other and further relief as the Court may deem just and proper.

Respectfully submitted,

DATED: July 18, 2006
