ORDER

ANDREW L. CARTER, JR., United States District Judge:

The Court is in receipt of the Parties' joint status report filed on December 22, 2020 advising the Court of their availability for a bench trial. ECF No. 145. The Court is also in receipt of the Parties' proposed joint pre-trial order. ECF No. 146. In their joint status report the Parties advised the Court that they expected that the trial would last 5 to 6 days. However, in their proposed joint pre-trial order, Plaintiffs stated that they "estimate[d] that the trial of this matter should take 10 days."

Accordingly, the Parties are hereby ORDERED to file a joint status report by no later than February 25, 2021 addressing the discrepancy. If the parties expect the trial to take longer than 5 to 6 days, the Parties should also provide additional availability for a bench trial in May and June.

SO ORDERED.
