This is a civil action filed by a self-represented federal prisoner. Under Local Civil Rule 73.02(B)(2) (D.S.C.), pretrial proceedings in this action have been referred to the assigned United States Magistrate Judge. On February 24, 2017 and May 2, 2017, the court issued orders authorizing issuance and service of process on the defendants. (ECF Nos. 16, 37.) In those orders, under the heading "Construction of the Pleading," the court, following initial screening pursuant to applicable law, listed the claims it construed as raised by the Plaintiff in the Complaint and Amended Complaint.

Counsel has now entered an appearance for one or more named defendants. The court directs *each legal representative entering an appearance in this matter on behalf of any defendant* to certify that the court's order authorizing service of process has been received and that the Plaintiff's claims as construed by the court have been reviewed by completing the "Defendant's Certification" below and filing it with the court within seven (7) days from the date of this order. If *any party* disagrees with the court's construction of the Plaintiff's claims, he or she may file an appropriate motion with the court within seven (7) days from the date of this order.

IT IS SO ORDERED.
