STATE v. MORGAN
Decision of the Court

MEMORANDUM DECISION

Presiding Judge Margaret H. Downie delivered the decision of the Court, in which Judge Kenton D. Jones and Judge Donn Kessler joined.

D O W N I E, Judge:

¶1 Thomas Glenn Morgan petitions for review from the summary dismissal of his petition for post-conviction relief. Morgan seeks review of the superior court's order of dismissal dated January 13, 2015. That order addresses a petition for post-conviction relief that Morgan filed on September 30, 2014. The same petition for post-conviction relief and order of dismissal are the subject of an earlier petition for review that is currently pending in this Court — *State v. Morgan*, 1 CA-CR 15-0093 PRPC. Morgan does not seek different relief in this second petition for review, but simply asks this Court "to grant notice of appeal from court decision dated January 13, 2015."

¶2 The court will consider Morgan's petition for review of the order of dismissal dated January 13, 2015 in *State v. Morgan*, 1 CA-CR 15-0093 PRPC. We deny relief in the instant case without prejudice to our consideration of any issues properly presented for review in 1 CA-CR 15-0093 PRPC.

CONCLUSION

¶3 For the foregoing reasons, we grant review but deny relief.

AMY M. WOOD • Clerk of the Court
