Submitted: October 31, 2000
Decided: November 15, 2000

Before **VEASEY**, Chief Justice, **WALSH** and **STEELE** Justices.

ORDER

This 15th day of November, the Court having carefully considered the decision and judgment of the Family Court dated March 22, 2000, together with the briefs filed by the parties, has determined as follows:

To the extent that: (a) the issues raised on appeal are factual, the record evidence supports the trial judge's factual findings; (b) the errors alleged on appeal are attributed to an abuse of discretion, the record does not support those

assertions; (c) the issues raised on appeal are legal, they are controlled by settled Delaware law, which was properly applied.

NOW, THEREFORE, IT IS ORDERED that the judgment of the Family Court is **AFFIRMED**.
