ORDER

This 6th day of February 2007, after careful consideration of the briefs of the parties and the record in this case, we find it manifest that the judgment below should be affirmed. The record reflects that appellant filed complaints alleging employment discrimination in both the Superior Court and the federal District Court. Accordingly, the Superior Court did not err in dismissing the state court complaint under the election of remedies provision of 19 Del. C. § 714(c).

NOW, THEREFORE, IT IS ORDERED that the judgment of the Superior Court is AFFIRMED.
