UNITED STATES OF AMERICA,

Plaintiff-Appellee,

*versus*

SANCHEZ LEE,

Defendant-Appellant.

---

Appeal from the United States District Court

for the Northern District of Florida

D.C. Docket No. 4:10-cr-00054-MW-MAF-14

---

Before JILL PRYOR, LUCK, and MARCUS, Circuit Judges.

PER CURIAM:

Richard Summa, appointed counsel for Sanchez Lee in this direct criminal appeal, has moved to withdraw from further representation of the appellant and filed a brief pursuant to *Anders v. California*, 386 U.S. 738 (1967). Our independent review of the entire record reveals that counsel's assessment of the relative merit of the appeal is correct. Because independent examination of the entire record reveals no arguable issues of merit, counsel's motion to withdraw is **GRANTED**, and Lee's revocation of supervised release and sentence are **AFFIRMED**.
