Circuit Judge.

Affirmed by unpublished per curiam opinion.

Robert Matthew Black, Appellant Pro Se. Norma Anne Turner Jett,
NESS, JETT & TANNER, Bamberg, South Carolina, for Appellees

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Robert Matthew Black appeals the district court's orders accepting the recommendation of the magistrate judge and denying relief on his 42 U.S.C. § 1983 (2000) complaint and denying his motions to amend the complaint and to compel discovery. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Black v. Burtt, No. 3:05-cv-02222-HMH (D.S.C. Apr. 24, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
