Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Andrew Stewart appeals the judgment entered by the district court affirming the Commissioner's decision to deny a period of disability, disability insurance benefits, and supplemental social security income.\* We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the magistrate judge. See Stewart v. Astrue, No. 9:08-cv-03600-BM (D.S.C. Jan. 6, 2010). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED

\* The parties consented to the exercise of the district court's jurisdiction by a magistrate judge, as permitted by 28 U.S.C. § 636(c) (2006).
