Christopher Leonard Olszowy, Anna Olszowy, Appellants Pro Se.
Harry V. Ragsdale, CORRIGAN & CHANDLER, LLC, Charleston, South
Carolina, for Appellees.

PER CURIAM:

Christopher and Anna Olszowy seek to appeal the district court order denying their motion for appointment of counsel. This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291 (2006), and certain interlocutory and collateral orders, 28 U.S.C. § 1292 (2006); Fed. R. Civ. P. 54(b); Cohen v. Beneficial Indus. Loan Corp., 337 U.S. 541, 545-46 (1949). The order the Olszowys' seek to appeal is neither a final order nor an appealable interlocutory or collateral order. Accordingly, we dismiss the appeal for lack of jurisdiction. Further, we deny their motion for a change of venue and to suspend briefing. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
