PER CURIAM:

Robert Lepelletier, Jr., appeals the district court's order denying his Fed. R. Civ. P. 15 motion to amend and dismissing his complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Lepelletier v. Fair Oaks Motors, Inc., No. 1:11-cv-01268-LMB-IDD (E.D. Va. Feb. 24, 2012). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
