Appeal from the United States District Court for the District of South Carolina, at Greenville. Timothy M. Cain, District Judge. (6:12-cv-01995-TMC)

Submitted: January 9, 2013

Decided: February 13, 2013

Before DAVIS, WYNN, and FLOYD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Bridgette Neal, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Bridgette Neal appeals the district court's order accepting the recommendation of the magistrate judge and dismissing her complaint without prejudice. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
