PER CURIAM:

Willie Junior Hines appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we deny Hines' motion for appointment of counsel and affirm for the reasons stated by the district court. Hines v. Robinson, No. 6:12-cv-01834-GRA (D.S.C. Mar. 12, 2013). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
