PER CURIAM:

Susan E. Breed appeals the district court's order accepting the recommendation of the magistrate judge and entering judgment for the Commissioner in this action seeking disability insurance benefits and supplemental security income. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Breed v. Colvin, No. 1:10-cv-00583-NCT-JLW (M.D.N.C. May 14, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
