Submitted: January 15, 2015

Decided: January 20, 2015

Affirmed by unpublished per curiam opinion.

Orlando Brown, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Orlando Brown appeals the district court's order adopting the magistrate judge's report and recommendation and dismissing without prejudice his discrimination complaint against the State of South Carolina as barred by res judicata. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Brown v. South Carolina, No. 3:13-cv-02983-MBS (D.S.C. Sept. 24, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
