PER CURIAM:

Kelvin Andre Spotts, a federal prisoner, appeals the district court's orders denying relief on his 28 U.S.C. § 2241 (2012) petition and denying his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Spotts v. United States Penitentiary Warden, No. 3:14-cv-25644 (S.D. W. Va. Sept. 15 & Dec. 8, 2014). We deny the motion to place case in abeyance and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
