PER CURIAM:

Pamela Melvin appeals the district court's order dismissing her amended complaint and denying her various motions, and a subsequent order denying her Fed. R. Civ. P. 59(e) motion to alter or amend judgment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Melvin v. Soc. Sec. Admin. of the United States*, No. 5:14-cv-00170-F (E.D.N.C. Aug. 27, 2015; Sept. 26, 2016). We further grant Melvin's motions to exceed length limitations for her informal brief, to seal certain exhibits, and to extend filing time for her informal reply brief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
