PER CURIAM:

Mirna Rodriguez appeals the district court's orders deeming the Appellee's statement of undisputed facts as admitted and denying reconsideration, and granting summary judgment in favor of the Appellee on Rodriguez's claims of discrimination and retaliation. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Rodriquez v. Fanning*, No. 1:15-cv-01654-TSE-JFA (E.D. Va. Nov. 22 & Dec. 16, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
