## PER CURIAM:

Barry J. Bluefeld appeals from the district court's order dismissing his civil action filed against the directors and officers of a corporation in which he is a shareholder. We have reviewed the record as well as the district court's opinion and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Bluefeld v. Cohen*, No. 8:15-cv-02857-PX (D. Md. Apr. 27, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
