## PER CURIAM:

Bernard Celestine appeals the district court's order denying his Fed. R. Crim. P. 36 motion. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *See United States v. Celestine*, No. 4:95-cr-00041-H-9 (E.D.N.C. Jan. 25, 2017); *see also* Fed. R. Crim. P. 36 ("After giving any notice it considers appropriate, the court may at any time correct a *clerical* error in a judgment, order, or other part of the record, *or correct an error in the record arising from oversight or omission.*" (emphasis added)). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
