PER CURIAM:

Daniel Ray Buie pled guilty to possession with intent to distribute crack cocaine and possession of a firearm during the commission of a drug trafficking offense. The district court sentenced him to 192 months' imprisonment. On direct appeal, this court affirmed the judgment. *United States v. Buie*, 421 F. App'x 281 (4th Cir. 2011) (No. 10-4740). Buie filed a second notice of appeal of the criminal judgment. Because we have previously affirmed this criminal judgment, we dismiss the appeal as duplicative and untimely. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
