PER CURIAM:

Christian Philip Parker appeals the district court's order denying his motion for reconsideration of the court's prior order granting Parker's motion for a sentence reduction pursuant to 18 U.S.C. § 3582(c)(2) (2012), in which Parker sought a further sentence reduction. We have reviewed the record and find no reversible error. *See United States v. May*, 855 F.3d 271, 274 (4th Cir. 2017) (noting that prohibition on a district court's consideration of a motion to reconsider a § 3582 order is not jurisdictional and is waived if not invoked by the government). Accordingly, we affirm the district court's order. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
