PER CURIAM:

Appellant appeals the district court's order denying her motion for a sentence reduction pursuant to 18 U.S.C. § 3582(c)(2) (2012) and Amendment 782 to the Sentencing Guidelines. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Under Seal*, No. 8:97-cr-00193-PWG-10 (D. Md. July 7, 2017). We deny Appellant's motions for the production of transcripts at government expense and for reconsideration of our prior order deferring ruling on this motion. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
