

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 17-7475

JAMES N. WESTPOINT,

Petitioner - Appellant,

v.

SHERIFF AL CANNON,

Respondent - Appellee.

Appeal from the United States District Court for the District of South Carolina, at Beaufort. Richard Mark Gergel, District Judge. (9:17-cv-02137-RMG)

Submitted: February 22, 2018

Decided: February 27, 2018

Before TRAXLER and DUNCAN, Circuit Judges, and HAMILTON, Senior Circuit Judge.

Dismissed by unpublished per curiam opinion.

James N. Westpoint, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

James N. Westpoint, a state pre-trial detainee, seeks to appeal the district court's order accepting the recommendation of the magistrate judge and denying relief on Westpoint's 28 U.S.C. § 2241 (2012) petition. The order is not appealable unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1)(A) (2012). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2012). When the district court denies relief on the merits, a prisoner satisfies this standard by demonstrating that reasonable jurists would find that the district court's assessment of the constitutional claims is debatable or wrong. *Slack v. McDaniel*, 529 U.S. 473, 484 (2000); *see Miller-El v. Cockrell*, 537 U.S. 322, 336-38 (2003). When the district court denies relief on procedural grounds, the prisoner must demonstrate both that the dispositive procedural ruling is debatable, and that the petition states a debatable claim of the denial of a constitutional right. *Slack*, 529 U.S. at 484-85.

We have independently reviewed the record and conclude that Westpoint has not made the requisite showing. Accordingly, we deny a certificate of appealability and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
