PER CURIAM:

Nelson L. Bruce appeals the district court's order denying his Fed. R. Civ. P. 60(b) motion seeking vacatur of the court's prior order adopting the recommendation of the magistrate judge and remanding this foreclosure proceeding to state court. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Bank of Am., NA v. Bruce*, No. 2:17-cv-02617-RMG (D.S.C. Nov. 26, 2018). We deny Bruce's motion to compel arbitration and for a temporary administrative stay and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
