PER CURIAM:

Scott Marshall appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his employment discrimination claim. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Marshall v. AT&T Mobility Servs., LLC*, No. 3:17-cv-01577-CMC (D.S.C. Mar. 20, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
