PER CURIAM:

Shannon Rosenbloom appeals the district court's orders accepting the recommendation of the magistrate judge and dismissing Rosenbloom's employment discrimination action and denying her motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Rosenbloom v. Hunley*, No. 1:18-cv-00261-MR-WCM (W.D.N.C. Sept. 27, 2019 & July 11, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
