Submitted: April 14, 2020

Decided: April 16, 2020

Before WILKINSON, QUATTLEBAUM, and RUSHING, Circuit Judges.

Affirmed in part, dismissed in part by unpublished per curiam opinion.

Michael David Webb, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Michael D. Webb appeals the district court's order dismissing his civil complaint and denying his motions for temporary restraining orders. We have reviewed the record and find no reversible error. Accordingly, for the reasons stated by the district court, we affirm the dismissal of Webb's complaint. *Webb v. Beyer*, No. 1:19-cv-00808-LO-TCB (E.D. Va. filed Oct. 31, 2019 & entered Nov. 1, 2019). To the extent Webb appeals the denial of his motions for temporary restraining orders, we lack jurisdiction to review the order. *See Office of Pers. Mgmt. v. Am. Fed'n of Gov't Emps.*, 473 U.S. 1301, 1303-06 (1985). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
