PER CURIAM:

Scotland E. Williams appeals the district court's order granting Defendants summary judgment in Williams' 42 U.S.C. § 1983 (2012) action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Williams v. Moyer*, No. 1:18-cv-00363-ELH (D. Md. filed Mar. 6, 2019 & entered Mar. 7, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
