Appeals from the United States District Court for the Western District of Virginia, at Roanoke. Joel Christopher Hoppe, Magistrate Judge. (7:19-cv-00406-NKM-JCH; 7:19-cv-00496-NKM-JCH; 7:19-cv-00250-NKM-JCH; 7:19-cv-00558-NKM-JCH)

Submitted: February 6, 2020

Decided: February 19, 2020

Before NIEMEYER, MOTZ, and KING, Circuit Judges.

Dismissed by unpublished per curiam opinion.

David Meyers, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

In these consolidated appeals, David Meyers seeks to appeal the magistrate judge's order referring the cases for an evidentiary hearing and precluding Meyers from filing any further motions or documents until the magistrate judge issues his report and recommendation. This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291 (2018), and certain interlocutory and collateral orders, 28 U.S.C. § 1292 (2018); Fed. R. Civ. P. 54(b); *Cohen v. Beneficial Indus. Loan Corp.*, 337 U.S. 541, 545-46 (1949). The order Meyers seeks to appeal is neither a final order nor an appealable interlocutory or collateral order. Accordingly, we deny as moot Meyers' motions for leave to proceed on appeal without prepayment of fees under the Prison Litigation Reform Act and dismiss the appeals for lack of jurisdiction. We deny Meyers' motion to appoint counsel filed in No. 19-7847, *Meyers v. Hall*. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
