PER CURIAM:

Therresseia Boland appeals the district court's order granting summary judgment in favor of the United States in Boland's action under the Federal Tort Claims Act ("FTCA"), 28 U.S.C. §§ 1346, 2671-80. We agree with the district court that the statute of limitations barred Boland's claims under the FTCA, *see* 28 U.S.C. § 2401(b), and that she failed to establish grounds for equitable tolling, *see Raplee v. United States*, 842 F.3d 328, 333 (4th Cir. 2016). Accordingly, we affirm. *Boland v. United States*, No. 2:18-cv-00113-MSD-LRL (E.D. Va. Dec. 11, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
