Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Calvin Tyrone Norton appeals the district court's order dismissing his complaint in which he sought to challenge the 2018 election of the Columbus County Sheriff. We have reviewed the record and find no reversible error. Accordingly, we deny Norton's motion to supplement the record and affirm for the reasons stated by the district court. *Norton v. Columbus Cnty. Bd. of Elections*, No. 7:19-cv-00088-D (E.D.N.C. Mar. 13, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
