Submitted: January 19, 2021

Decided: January 21, 2021

Before AGEE, WYNN, and DIAZ, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Kinfe-Michael Negash, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Kinfe-Michael Negash appeals the district court's order dismissing without prejudice* Negash's non-specified civil action against a multitude of Defendants and denying Negash's request for injunctive relief. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Negash v. Kingstowne Residential Owners Corp.*, No. 1:20-cv-00854-LO-JFA (E.D. Va. July 28, 2020). We deny as moot Negash's request for injunctive relief pending appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED

* Although the district court's dismissal was without prejudice, we have jurisdiction over this appeal. *See Bing v. Brivo Sys., LLC*, 959 F.3d 605, 615 (4th Cir. 2020), *petition for cert. filed*, No. 20-759 (U.S. Dec. 2, 2020).
