PER CURIAM:

Clara Lewis Brockington appeals the district court's order accepting the recommendation of the magistrate judge and dismissing her complaint without prejudice. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Brockington v. Kimbrell's Furniture of Florence*, No. 4:20-cv-03270-RBH (D.S.C. Nov. 19, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
