PER CURIAM:

Lee Clister Gray appeals the district court's order dismissing his 42 U.S.C. § 1983 complaint under 28 U.S.C. § 1915A(b). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Gray v. Steward*, No. 5:19-ct-03298-M (E.D.N.C. May 21, 2020). We also deny Gray's motion for appointment of counsel. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
