Submitted: October 20, 2020

Decided: October 23, 2020

Affirmed by unpublished per curiam opinion.

Victor B. Perkins, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Victor B. Perkins appeals the district court's orders dismissing his complaint and denying his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Perkins v. FDA*, No. 1:19-cv-00822-DKC (D. Md. Nov. 20, 2019; June 19, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
