PER CURIAM:

Tommy Daniel Helms appeals the district court's order denying his motion for a sentence reduction. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Helms*, No. 4:08-cr-00367-TLW-1 (D.S.C. filed June 2 & entered June 3, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
