

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 21-6760

ROY GOODMAN,

Plaintiff - Appellant,

v.

DOCTOR NOGO; BUTNER FEDERAL MEDICAL CENTER,

Defendants - Appellees.

Appeal from the United States District Court for the Eastern District of North Carolina, at
Raleigh. James C. Dever III, District Judge. (5:20-ct-03324-D)

Submitted: November 18, 2021

Decided: November 22, 2021

Before MOTZ, THACKER, and HARRIS, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Roy Goodman, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Roy Goodman appeals the district court's order dismissing under 28 U.S.C. § 1915A(b) his complaint filed pursuant to the Federal Tort Claims Act (FTCA), 28 U.S.C. §§ 1346(b)(1), 2671-2680, and *Bivens v. Six Unknown Named Agents of Fed. Bureau of Narcotics*, 403 U.S. 388 (1971). On appeal, we confine our review to the issues raised in the informal brief. *See* 4th Cir. R. 34(b). Because Goodman's informal brief does not challenge the basis for the district court's disposition, he has forfeited appellate review of the court's order. *See Jackson v. Lightsey*, 775 F.3d 170, 177 (4th Cir. 2014) ("The informal brief is an important document; under Fourth Circuit rules, our review is limited to issues preserved in that brief."). Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
