Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Regina M. Hunter-El appeals the district court's order dismissing her federal complaint without prejudice and remanding a removed complaint to state court. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Hunter-El v. Hunter*, No. 3:21-cv-02928-MBS (D.S.C. filed Oct. 17, 2021; entered Oct. 18, 2021); *Hunter v. Hunter-El*, No. 3:21-cv-02929-MBS (D.S.C. filed Oct. 17, 2021; entered Oct. 18, 2021). We deny Hunter-El's motions to supplement and for a transcript at Government expense. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
