Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Arthur Lee Hairston, Sr., appeals the district court's order dismissing his complaint for lack of subject matter jurisdiction. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Hairston v. R.R. Ret. Bd.*, No. 3:22-cv-00019-GMG-RWT (N.D.W. Va. Sept. 22, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
